# GREAT NEWS – LaproSurge have been awarded the NHS Supply Chain contract for Laparoscopic Surgical Devices for 2009/2010

For the last 10 years, we have offered a professional and comprehensive portfolio of Laparoscopic products to health care professionals. From January 2009 the full LaproSurge disposable range is now available to you through the NHS Supply Chain Catalogue.

Not only will you be getting a very competitively priced product, the NHS supply chain also guarantees a next day delivery service at no extra cost.

		<b>NHS</b> Supply Chain
